

## Course #520

# How to Comply with CARB Diesel Regulations

The California Air Resources Board (CARB) enforces a set of air pollution regulations affecting all types of diesel vehicles and equipment operating in the State. Truck owners and operators, as well as brokers, dispatchers, and fleet managers, are all responsible for complying with these regulations. This course reviews the inspection process, discusses the consequences of non-compliance, and explains ***how to comply*** with the following programs/regulations:

- Heavy-Duty Diesel Vehicle Inspection Program
- Periodic Smoke Inspection Program
- Truck and Bus Regulation
- Transport Refrigeration Unit ATCM
- Drayage Truck Regulation
- Tractor Trailer Greenhouse Gas Regulation
- Public Agency and Utilities, Public Transit Agency, Solid Waste Vehicle Regulations
- Off-Road Regulation
